---

On Country Heritage is an Indigenous-owned heritage business that works with Traditional Owner groups to provide cultural heritage services On Country.

# ABOUT US

On Country Heritage is an Indigenous-owned heritage business with strong cultural values and is committed to Partnership with Native Title Groups, Aboriginal Parties and Indigenous Businesses. As an Indigenous business, we have a unique advantage in the heritage advisor field. This advantage stems from the central role that Indigenous people play in cultural heritage management planning and processes, due to our distinct understanding and responsibilities to care for country and culture.

We recognise the importance of economic opportunity for Traditional Owners and are committed to Partnership in the creation of jobs On Country.

Our aspirations are to improve business development and create employment opportunities for Aboriginal and Torres Strait Islander people On Country.

# BUSINESS SOLUTIONS

On Country Heritage specialises in providing archaeological and heritage services for projects of varying sizes. Our commitment is to uphold the best heritage practices, striving for outcomes that benefit all stakeholders involved.

We prioritise ethical and reliable assessments of cultural heritage, along with practical mitigation strategies, while maintaining close collaboration with Indigenous communities and project proponents.

Our team has over 30 years experience in cultural heritage investigation and agreement making, community engagement, native title negotiations and cultural heritage assessments.

We work with organisations in the resource sector, providing a range of services onsite to ensure that cultural heritage is preserved.

# CULTURE SOLUTIONS

On Country Heritage acknowledges Aboriginal and Torres Strait Islanders as the original inhabitants of this land and celebrates their enduring connections to Country, Knowledge and Stories. We pay our respects to Traditional Owners, their Culture, as the custodians of this land, and acknowledge all Elders past, present and emerging. We recognise the importance of economic opportunity for Traditional Owners and are committed to Partnering in the creation of jobs On Country.

## INDIGENOUS PARTNERSHIPS

We work with other Indigenous Businesses to provide solutions to our clients. These solutions are about developing business and partnering with traditional owner groups, that includes labor hire, recruitment & civil. It also includes environmental heritage management.
